

YP WIRES

YP INNOVATIONS PVT LTD

High Performance Quality Wires & Cables
AN ISO CERTIFIED COMPANY

RoHS

About us :

YP Innovations – “Live the Life with Safety” Our motto is to Make your Life Safer by Providing quality Product used in your daily life.

We started in 2014' with a Manufacturing Unit at Ghaziabad (U.P) keeping in mind with state of the art facility and equipment used in Producing Best Quality Electric Wires & Cables for Residential, Commercial and Industrial Purposes.

We are evaluated among Top 5 Best Electric Cables Manufacturer in Delhi/NCR.

Our research and development helped us in Improving well and making our Quality Standards higher to match with the Customers Customized Specifications.

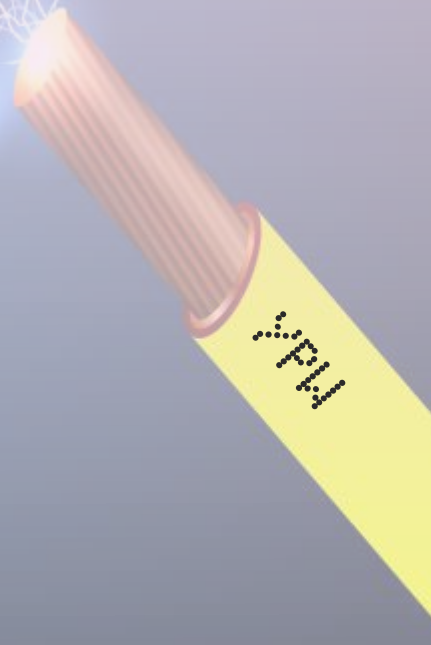

Vision and Mission :

Our Vision is to innovate and develop new Products by learning current Market Trends and Demand of the various Industries.

We are Self inspired and feel Pride in contributing to our Nation by 'Make in India' doing continuous efforts in R&D by designing and developing better Product through Quality raw materials for a Better Nation for Tomorrow.

Our long term vision is to reach in every segment of Product used in our daily life right from the DayStart till the Time you go for a Sleep.

Our Mission is to Provide only Quality Product and reaching in every State and every Part of India. Currently we hold Strong Presence in Delhi/NCR, Uttar Pradesh, Uttarakhand & South India.

Products Range

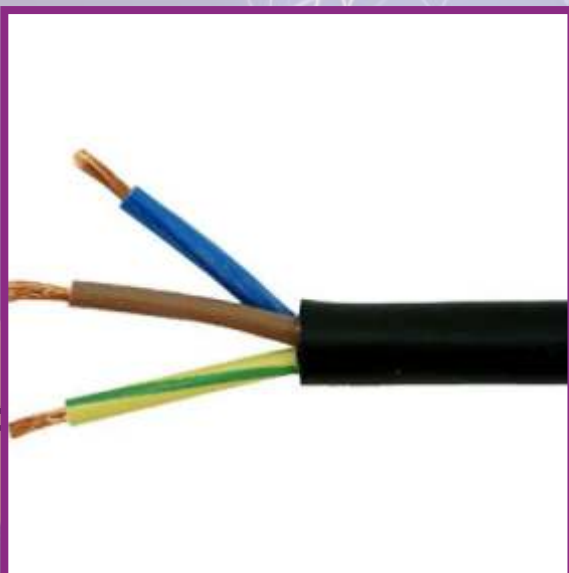

Single Core Wire

- Customized cables as per customer requirement
- We are manufacturing 0.20 SQ. MM to 25.00 SQ. MM wire.
- We also have high Temperature PVC cables
- Customized cutting, stripping, twisting and soldering facilities available
- Applications: Used in Electronic circuits, House wires, Wire Harness, Auto cables etc.

Two Core Flat & Round & Twin Cable

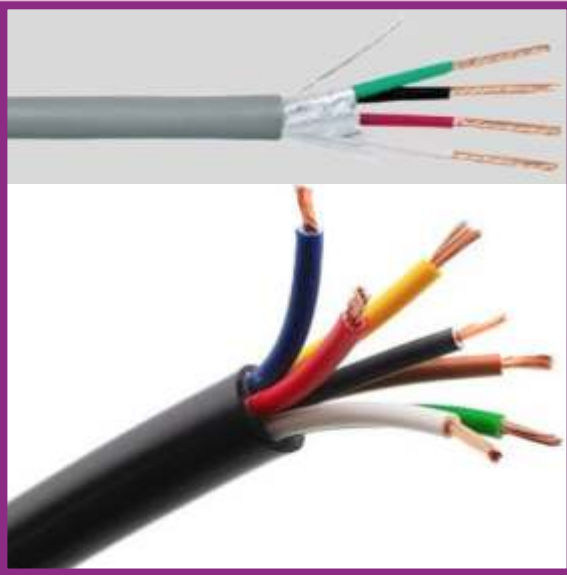

- Completely customized cables
- Customized Cutting twisting and tinning facility available
- Customized grommet designing for conceal
- All wires are manufactured as per IS-694 standards
- Applications: These are generally used in concealed LED lights, tubelights etc

Three Core Round Cable

- Standard & customized both type of wire manufactured
- Manufactured as per IS-694 standards
- Customized cutting, stripping, twisting and soldering facilities available
- Applications: Generally used in Street lights, flood lights, solar lights, lead cables, & Power supply etc

Products Range

Four Core & Multi-Core Cable

- Customized wires as per customer requirement.
- We are also manufacturing Data Communication Cable.
- Manufactured as per IS-694 standards
- **Applications:** Generally used as data cables

Ribbon Wire

- We are manufacturing 2 Core –16 Core Ribbon wire with minimum wire o.d. 1.20 MM.
 - We have In-House Cutting, Stripping & Crimping facility for ribbon wire as per customized length.
- Applications:** Generally used in wire harness for display wire

2-3 Pin Molded Power Cord

- Molded Plug (6 & 16 Amp.) also manufacturing as per customized wire length.
- Manufactured as per IS-694 standards
- In-House facility for Wire Cutting & Crimping.
- **Applications:** Generally used Inverter UPS, Home Appliances etc.

Products Range

Wiring Harness

- We have in-house designing facility for customer requirement.
- We have wide range of wire harness for Inverter-UPS, E-Rickshaw, Home-Appliances, and Lithium Battery.
- Due to our in-house wire manufacturing, we provide most competitive price with the best quality on time service.

Battery Wire

- We are manufacturing 6.00 SQ MM to 25 SQ MM battery wire
- We have In-House Thimble punching facility.
- Manufactured as per IS-694 standards
- **Applications:** Generally used as Inverter UPS sectors.

Industry we Serve

YP Innovations is well Known to be the Proud Suppliers to various Industries to Run their Products Successfully

Inverters / UPS

Energy Industry

Lighting Solutions

Communication Equipment's

Automobiles

Machinery Industry

Healthcare Equipment's

Home Appliances

SIZES AND RANGE REFER ANNEXURE 1 & 2

Complies with the requirements applicable to it
 The certificate body has performed an audit of the above product quality system covering the design, manufacturer and final inspection of the certified product. The quality system has been assessed, approved and is subject to continuous surveillance according to the directives.
This certificate is issued under the following conditions:

- It applies only to the quality system maintained in the manufacture of above referenced models and it does not substitute the design or type Examination procedures, if requested.
- The certificate remains valid until the manufacturing conditions or the quality systems are changed.
- The certificate validity is conditioned by positive results or surveillance audits.
- After fulfilling the relevant EU legislation, the manufacturer shall affix to each device, per completion of an EC declaration of conformity and compliance with all relevant ED directive. The statement of the above referenced models.
- The CE mark as shown above can be used, under the responsibility of the manufacturer, after based on a single evaluation of one sample of above mentioned product. It does not imply an assessment of the whole production.

Certificate No : ICM-C-23010109
Date Of Certificate : 21-04-2023
Date Of Expiry : 20-04-2026

The validity of certificate is subject to regular surveillance audit on or before above mentioned dates and is only valid after successful surveillance with continuation letter issued by ICM. It is issued subject to the continued availability of access at any time and without notice to the above named organization's premises for the purpose of assessment and surveillance regarding the standard named above and ICM terms and conditions.

Equipment's we use

At **YP Innovations** we are well equipped with State of the art equipment's required in Production of Quality Manufacturing Practices for Crimping & Punching application Such as:-

AUTOMATIC WIRE MANUFACTURING LINE

COPPER BUNCHING

PAYOFF

EXTRUDER

ONLINE COILING MACHINE

COMPRESSOR

OFFICE PREMISES

Quality Control & Assurance

Quality is the core of our business philosophy. We follow a total quality management system as per BIS that streamlines all the procedure and practice in compliance with international standard successfully.

Moreover, continues effort are being made for improvement of material, technology and equipments to deliver optimum quality products at the most affordable prices.

LAB FACILITY AS PER BIS STANDARD

JIT approach

We follow Just in Time approach in delivering Products to our most of the Consumers.

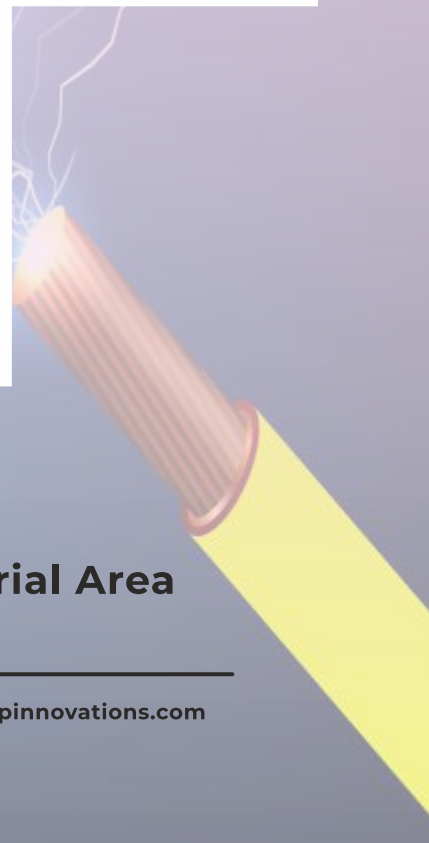

We are successful in this approach as we work well in accordance to the Priorities set by our Clients and their consideration for working, we match as per their Production Planning and Scheduling that enable us to Produce and deliver material on Just in Time.

We are Still learning and Thriving to Gain More from the Current Markets

THE

*We look forward for new
learning and Innovate more...*

Thank you
